

CARMEL VAN HOEGAERDEN

Carmel's travels as a model to the most inspiring places have inspired her to pursue her dream of starting a niche brunch bistro in Milan, the city where she is based. Her love of healthy food, exciting ingredients and their health benefits and living in a country renowned for its food culture have spurred her on to discover a new passion. Ready to pour her culinary knowledge into a new lifestyle, she remains devoted to her work as a model above all.
