

EVY MARKOVITS

We absolutely adore this positive, hardworking and crazy curly head. From the age of 7 to 16, she played tennis at the highest levels, but her career came to a stop because of a shoulder injury. However, her career took a new turn when she was discovered via Instagram by a modeling agency and was brought to Cape Town soon after. Some of her most unforgettable modeling experiences include featuring in commercials and campaigns for Coca Cola, Makeup4ever, L'Oreal in Paris, ASOS in London, and American Today. You can keep up with her everyday life by following her on Instagram, where she takes you on a journey behind-the-scenes of all her trips and shoots.
